#### 4. HAULED WASTE

Specificities of participation in the Hauled Waste Program may be obtained at the MAWSA Office.

Accepted waste streams shall be identified as either “Standard”, or “Non-Standard”.

Each waste stream will be determined on a case-by-case basis by MAWSA following review of analytical results provided by the waste hauler prior to acceptance. Each case will include a “deliver to” location at the Wastewater Treatment Plant.

Limits pertaining to each hauled waste stream are defined in the Hauled Waste Permitting documentation associated with the Hauled Waste Program.

Tier One Violation: \$25.00

Tier Two Violation: \$50.00

Tier Three Violation: \$100.00

Tier Four Violation: \$250.00+

All charges will be invoiced to the hauler at the end of every billing cycle. Each unique load will be tested and categorized according to its TS and COD as determined by the sample analysis taken at the treatment facility. A 5% penalty will be applied to delinquent Hauled Waste Invoices after 30-days of the invoice date. Disposal privileges will be suspended for any delinquent accounts.
