1. Billing Cycle: Period between meter reads.

2. Account Number: Needed when you call us, or to register or make a payment on the customer portal. Please **do not** share!

3. Meter Reads: Prior read, current read, and use in gallons. If an actual reading is unavailable, it will show as an "Office Estimate". Estimates are based on the last 4 cycles.

4. Water Charges:
Base Rate = \$18.01 X # of EDUs
Usage = \$0.007995 per gallon.

5. Sewer Charges:
Base Rate = \$54.82 X # of EDUs
First 2,000 gallons are included for **each** sewer base rate (EDU).
Usage = \$0.01503 per gallon.

6. Loans, contracts, plans:
Loan for residents of Orchard Rd., Old Line Rd., and Kendig Dr. reimbursing MAWSA for extending service to Rapho TWP should end with the May 2027 statement.

7. Due Upon Receipt
Total due including prior charges not resolved by bill date. Credit balances are in (parenthesis) and means you **do not** owe anything. Accounts on Autopay will show amount due and "Autopay **ON**".

8. Special messages to you.

9. EDUs: Number of water or sewer EDUs (Equivalent Dwelling Units) associated with the statement. Number of EDUs equals the base rate fees for both water and sewer.

10. Special system-wide messages and announcements:
Recommended for all ages.

11. Budget Billing information:
Monthly budget billed vs. actual.
