- Check here to save clutter & to go paperless.
- Set up bank draft autopay.

My signature below confirms that I authorize MAWSA to use the banking information on this month's payment to set up Autopay for future statements drafted on the 17th of each month. I will notify MAWSA if there are any changes or I need to cancel this authorization.

Signature and Date _____

1. Billing Cycle: Period between meter reads.

2. Account Number: Needed when you call us, or to register for the customer portal or AquaHawk. Please do not share!

3. Meter Reads: Prior read, current read, and use in gallons. If an actual reading is unavailable, it will show as an "Office Estimate". Estimates are based on the last 4 cycles.

4. Water Charges: Base Rate = \$18.37 X # of EDUs 9
Usage = \$0.008155 per gallon.

5. Sewer Charges: Base Rate = \$56.19 X # of EDUs 9
First 2,000 gallons are included for each sewer base rate (EDU). Usage = \$0.01541 per gallon.

6. Loans, contracts, plans: Loan for residents of Orchard Rd., Old Line Rd., and Kendig Dr. reimbursing MAWSA for extending service to Rapho TWP should end with the May 2027 statement.

7. Due Upon Receipt Total due including prior charges not resolved by bill date. Credits are shown in (parenthesis) and means you do not owe anything. Accounts on Autopay will show amount due and "Autopay ON".

8. Special messages to you.

9. EDUs: Number of water or sewer EDUs (Equivalent Dwelling Units) associated with the statement. Number of EDUs equals the base rate fees for both water and sewer.

10. Special announcements: and messages for all customers: Recommended for all ages.

11. Send this stub with your payment. Use provided envelope.
